

RIO GRANDE CITIZENS' FORUM

Background

The United States Section of the International Boundary and Water Commission (USIBWC) is seeking applications from individuals interested in serving on the Board for the Rio Grande Citizens' Forum (RGCF), a group established to promote the exchange of information regarding USIBWC activities between Percha Dam, NM and Ft. Quitman, TX. All RGCF meetings are open to the public and act as a focal point for the exchange of information between the USIBWC and the local community regarding ongoing and future USIBWC projects in the area and related matters. The RGCF is intended to bring together community members, enabling the early and continued two-way flow of information, concerns, values, and needs between the USIBWC and the general public, environmentalists, irrigators, government agencies, municipalities, etc. It is expected that the RGCF Board will consist of about ten volunteer members representing diverse interests. The Board will meet regularly in the greater El Paso, TX-Las Cruces, NM area approximately four times per year to discuss plans and issues related to ongoing and future USIBWC projects.
